

## **Client Information and Consent to Treatment**

### **Services:**

I provide a variety of services for children, adolescents and their families. Clients may be seen either individually or in groups. All services billed at 225.00/hour.

### **Confidentiality:**

All information discussed with a Registered Psychologist is strictly confidential. No information will be released to any third party without your signed consent, except where required by law. The latter circumstances refer to serious situations in which a client presents clear indications of intent to harm self or others, in cases of child abuse, or in the rare circumstances where records are subpoenaed by a court of law. This law applies to all health professionals. The parameters of confidentiality specific to your circumstances will be discussed during the initial consultation.

### **Fees:**

Psychologist's fees for service are not covered under the Ontario Health Insurance Plan. However, some private extended health care plans do cover all, or part of psychological services. My fee has been discussed with you. Payment is appreciated at the end of each session. All forms of payment are acceptable including: MasterCard, Visa, debit cards, checks, or cash. An invoice will be provided, or mailed to you at that time. Please inform me of cancellations with at least 24 hours notice. Sessions scheduled for Mondays should be cancelled before the weekend. Cancellations with less than 24 hours will be billed at the usual rate.

I have had a chance to read and discuss this information. I have also been given a copy of this for my records.
